CANADIAN FORCES COMPLIMENTARY MEMBERSHIP INVITATION

Comrades,

In appreciation of your service and sacrifice, ANAVETS is pleased to offer a one year complimentary membership to all returning combat veterans and all honorably discharged CF personnel.

We are the oldest veterans' organization in Canada and have been working tirelessly on behalf of our veterans and our communities for over 170 years. We currently have 68 Units across our Nation, all of which are considered a home away from home for our 16,000 members and their families. Our club rooms offer entertainment and camaraderie to our membership and our communities in general. We provide clean comfortable establishments for the rest and comfort of our membership, all the while fighting for the benefits and needs of those who have so bravely fought for, and protected our freedom throughout the years.

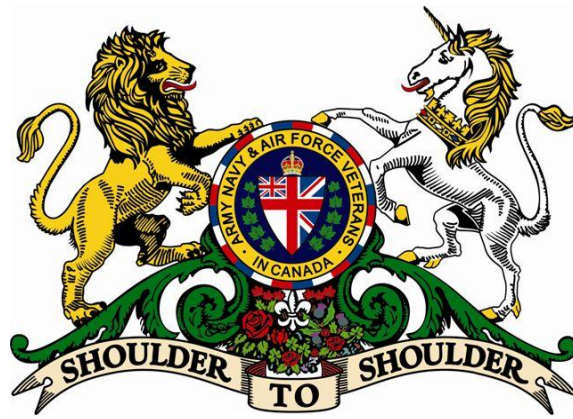

You will experience friendship and camaraderie with people who have the same interests and concerns as yourself. We will benefit immensely from the knowledge and experience of each military member who joins our association.

Please accept this letter as an open invitation to join the greatest veterans association in Canada. To receive your free complimentary one year membership, please contact the Unit you'd like to join. (See below for Unit locations and phone numbers.) If there is a contact problem, or you wish to become a "Member-at-Large", please contact Dominion Command at 1-877-864-7803 or in Ottawa (613) 744-0222.

Please visit our ANAVETS website at: www.anavets.ca for more information.
