

Army, Navy and Air Force Veterans in Canada

Museum Unit 302 - Sidney, B.C.

Service Since 1840

April 2, 2021

Dear Members,

I hope this finds you and yours safe and healthy during this "Circuit Breaker". While it is disappointing to have the Club closed, it is for the safety of all.

The direction to close the ANAF Unit 302 was sent to us from Island Health and Provincial Command, following the Provincial Health Order. We are required to close until midnight on April 19, 2021. Hopefully this will not be extended. The Club will be prepared to reopen April 20, 2021 at noon.

Having learned from the last shut down (March to June of 2020), the Executive was thankfully familiar with the necessary tasks for a break in Club business. The bar has been shut down and all money deposited in the bank, as well as other required tasks. During the break, the Executive will continue to look for existing and new CO-VID relief funding.

As with last time, the staff will be paid according to the average of their wage for two months prior to the shut down. They will have no interruptions in their pay checks, and this will continue until we are able to reopen.

It has come to our attention that there are members who may need help making appointments for their vaccinations. With this email you will find a detailed list of instructions. **Should you require extra help to make your appointment, Dion will be at the Club on Wednesday and Friday mornings from 9:00 until noon to assist you with this or other matters. Dion can be reached through the bar phone at 250-656-3777.**

There will be an issue of the Clarion coming in April. It will include the big picture and details of our finances as well as upcoming challenges, including preparing for a new executive.

As always, the Executive can be reached through the Club email; info@unit302.ca.

Wishing you a Happy and Healthy Easter,

Colleen McMorran
President
