

Dear ANAVET 302 Members,

Its been a long time coming and we appreciate our member's patience, kindness and understanding during these trying times of Covid 19. The new normal isn't the pre covid normal.

If you are sick in any way, fever, cough, runny nose, etc. don't attempt to come to the club for our bar staff and members safety.

We will be reopening on Tuesday, June 16, hours are 11 am to 7 pm. Days open are Tuesday to Saturday, closed Sunday's and Monday's till further notice. The Kitchen is open 11:00 am to 2 pm. Tuesday to Friday

Please bring your own mask, we will all appreciate it.

Due to the safety protocols for COVID 19 there will be quite a few new procedures to follow at this time until further notice by your Executives.

* Only current ANAVET members and their spouses/partners will be admitted until further notice. Seating has been limited to max. 49 people (including staff) or less depending on the spacing of seats and tables to conform with the social distancing protocols in the Lounge area. All tables will be kept at a minimum of 2- meters or 6 feet apart and there is a maximum of 4 people per table. Make sure you are comfortable allowing people into your "safe bubble" before having people join your table. No under age (children) allowed inside the club for now.

- Bar seats will be removed and no lingering around the bar area after receiving your drinks, (masks on preferred) for the safety of the bar staff.

*Masks must always be worn when not sitting at your original table. The only exceptions will be members who have a respiratory illness and are unable to wear one.

*Sanitizing stations are setup around the building and must be used upon entrance to club and after using washrooms etc. Limit of two people at a time in washrooms.

*Entrance / exit will be the main entry, so keep your 2-meter distance from each other. Proof of membership number (written in covid book) required. Door person will be looking for it. *All tables and chairs will be sanitized after each use by the bar staff only. Do not remove your glass ware from the tables as the staff will do that as well (will be reviewed in next update).

* Games room (one pool table open at a time with sanitation station, shuffle board table is open.) No other events in the games room.

*There will be directional markers around building to direct traffic flow and keep social distancing.

We look forward to seeing everyone again and appreciate everyone's co-operation to make our reopening as safe as possible. (review of processes will be ongoing and notified).

Regards: President Colleen McMorran and your executives.
